

BzzTxt™ Your Business Recovery Partner

The importance of securing your online visibility is vital during these times. Consumers now recognize that the most authentic opinion of a restaurant comes from someone who has been there. The BzzTxt platform affords your patrons the power and ease of sharing their experience in **under 30 seconds** increasing consumer confidence and driving revenue.

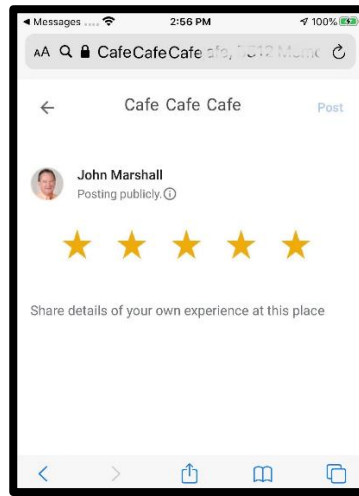

Step 1

Customer Sends Text to Your BzzTxt Number & Clicks Link

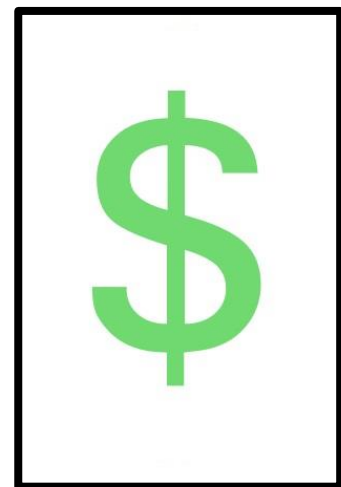

Step 2

Customer Posts Online Review

Step 3

Your Restaurant Serves More Customers!

BzzTxt makes it very easy for your customers to spread the word you are open, safe, and ready for business!

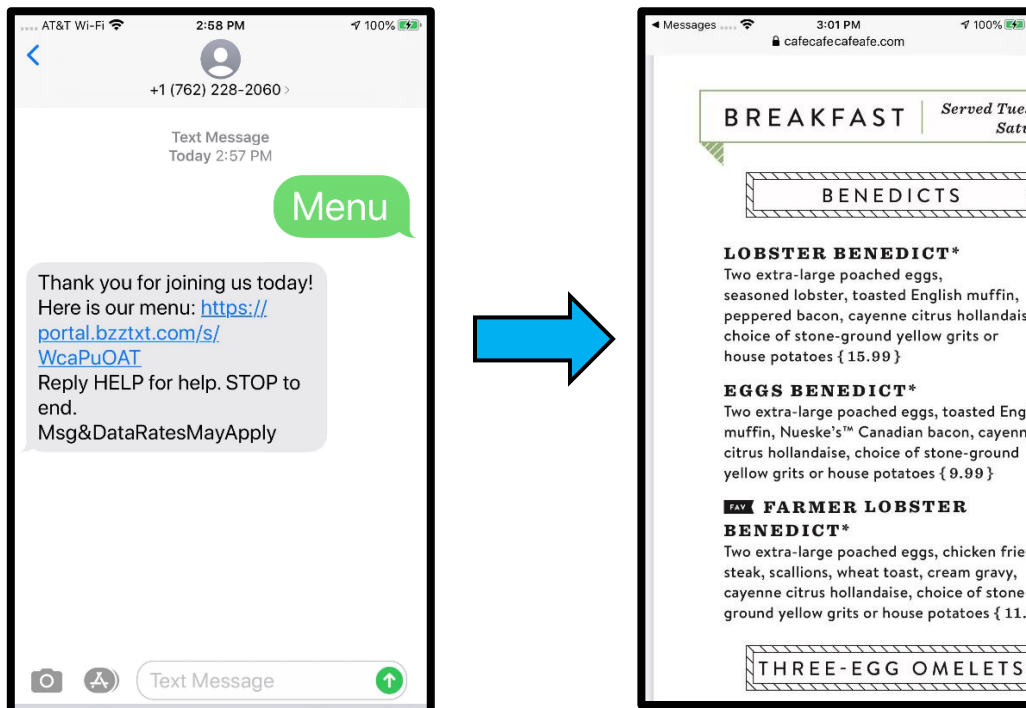

** List price is \$24.95/month. Month-to-month. No contract.

Additional BzzTtxt Features and Benefits

- BzzTtxt makes it easy and inexpensive to provide touchless menus that saves cost and provides convenience

An Idea to Consider

Your server will really get involved if you offer them, say \$5, for every review that mentions their name!
